

FAQs Duty Officer

1. What am I supposed to do?

- a. Generally, keep an eye on the numbers in the club or on the balcony a limit has been set at 30 people on both balcony and club house as that is what the GC consider a viable number to maintain Social Distancing. If the numbers are greater than this please ask, politely, some members to go to other parts of the club or onto the quay until the numbers have reduced and there is space for them.
- b. Members need to abide by the Government Direction on numbers in groups i.e. NO MORE THAN 6 unless you are a Bubble and each group should maintain social distancing.
- c. Politely, remind members to wear face masks in the clubhouse.
- d. Politely, remind members to sign in using the Track and Trace QR code or Book in the foyer.

2. How is the Clubhouse Disinfected?

- a. The Cleaners come in twice a week (Friday PM and Monday AM) so that the club is cleaned before the major use times and again after these times.
- b. Members should use the sanitizer and disinfectant spray to clean hands and surfaces when entering or using the tables etc in the Clubhouse or Balcony.
- c. If in doubt sanitize, disinfect and wear a face mask.

PLEASE respect other members space - they may be more at risk than you.

A simple reminder:

- HANDS
- FACE
- SPACE
- TRACK AND TRACE
