

Annex C - DQSC Training Centre

DAILY RISK ASSESSMENT

To be carried out daily prior to the start of any on water training activity by the Principal/Chief Instructor. Completed forms to be filed in the club training records.

Activity Date

Local weather conditions are available at www.cambermet.co.uk

Consider and complete the following (as applicable) (Score 1 = minimal, 5 = high) and include any amplifying comments on a separate page using paragraph headings for reference:

	1-5
1. The Wind Strength & Direction (currently & forecast):	
2. The Sea State (currently & forecast):	
3. The Visibility (currently & forecast):	
4. Air/Water Temperature:	
5. The Tide Times: HW: LW:	N/A
6. Daylight hours: Sunrise: Start Time: Sunset: Finish Time:	N/A
7. Student numbers to Instructor ratios <u>(appropriate mitigation for conditions or other activity might be used to reduce the ratio):</u>	
8. Numbers & types of boats involved:	
9. The experience and capabilities of students:	
10. The experience of the instructors:	
11. Sailing areas planned to be used <u>(consider conditions in the area planned as they may be different to DQSC):</u>	
12. The level of shore-side and afloat support (including comms links & ability to summon assistance if required):	
13. <u>Water Quality</u>	
14. Other DQ activity (dinghy racing etc) training & intentions.	
15. Other on-water activity (ie: other Clubs, harbour traffic)	
Total:	

I conclude that the risks involved in training today are **minimal (<18)**, **slight (<30)**, **medium (>30) or higher (>50)**, or **unacceptable (>60)** (delete as applicable)

If medium or higher , the following precautions - where appropriate - have been taken (tick as appropriate) to reduce the risk of injury to those participating:	Mitigation Minus
1. The advice of the Principal/Chief Instructor sought (summarise)	
2. All instructors & participants warned of the risk level assessed.	
3. Sails reefed.	
4 Reduction in the number of student boats.	
5. No novices allowed to participate.	
6. Sailing restricted to Dell Quay sheltered area.	
7. Additional safety cover organised (list):	
8. Timings changed.	
Revised Score	

If unacceptable – I confirm all on water activity was cancelled.
