A tally system will be used for the DQSC 2018 Optimist open meeting to indicate the intention of launching and as evidence that the boat and helm have returned.

The tally board will be situated in the club, near the official noticeboard. Tally numbers will be allocated on entry at the entry desk. Before launching the person in charge of the boat (see RRS 46 "Person in charge") shall remove the allocated tally band number and wear it on the wrist and this has the intention of "I intend to race".

Within 30 minutes of the last boat completing the final race of the day or immediately upon coming ashore if retiring, return the tally band to the tally board to indicate they have return safety to shore.

Competitors failing to comply with this SI will be scored DSQ without a hearing.
